

## REMARKS

This application is a divisional application of S.N. 19/047,294, which has been allowed. Applicants have canceled the claims examined in the parent case. Applicants have amended certain claims and added new claims to better define the invention.

The claims should now be in condition for allowance and applicants respectfully request favorable consideration.

Respectfully submitted,

James E. Bradley  
Reg. No. 27,536
